Company Overview:

For over a decade, **dovetail solutions** has been providing public relations, branding and positioning to the Denver area and beyond. With an emphasis on relationship building and integrity, the firm and its clients are strongly integrated into the Denver community through its trademarked Strategic Community Investment® strategy. This approach has established clients as leaders in their fields and helped them attain their goals and promote their brand. Specializing in strategic communications, crisis communications, social media, public/legislative affairs and employee communications, dovetail solutions has reinvented traditional public relations to become one of the top firms in Denver.

Year Founded:

2004

Core Services:

- Public relations/media relations
- Branding
- Strategic Community Investment®
- Crisis Communications
- Social Media
- Public/Legislative Affairs
- Internal/Employee Communications

What Makes Us Different:

- We go beyond traditional public relations services by prioritizing community partnership, a critical practice that is often left out of the mix.
- Our trademarked Strategic Community Investment® strategy helps clients identify and engage in high-profile board opportunities, connect with important stakeholders and provide coaching for introductions with potential partners and clients.
- Our firm responds to the evolving world of PR and media relations by harnessing the power of new technology, building long-standing relationships and crafting original ideas to tell a client's story.

A Snapshot of Our Client List: McWhinney, Venture Architecture, Daniels College of Business, Colorado State University, Business School – University of Colorado Denver, HOK, Crestcom, Neenan, Key Bank, University of Colorado Hospital
